### PROGRAM BUDGET SUMMARY

The Program Budget should realistically estimate how much money is needed from Metro Government. This application should be for funds which are absolutely essential for the program. The Program Budget will be reviewed for cost effectiveness and for the direct relationship between planned expenditures and planned program activities.

Please remember that EAF grants are awarded competitively, and as competition for limited funds increases, applications that are over-budgeted are less likely to receive support.

For each line item, enter whole-dollar amounts. Round off any cents to the nearest whole dollar.
